

# CONESTOGAS RESTAURANT

## Welcome

*to all our customers — old and new*

Conestogas opened its doors on September 15, 1988 in the southern-most building with about 35 seats. The restaurant is now made up of three additional buildings. The buildings have housed all kinds of businesses from a 5 & 10 store, a funeral parlor, Beckham's Grocery & Market, Robarts and Pettit Hardware, a pool hall and bar, a local newspaper, a waterbed manufacturer, and many other businesses over the past 130 years.

After working 16 years for Western Sizzlin Steak House, Rick decided to go out on his own. Donna and Rick put their retirement and life savings into opening Conestogas Restaurant, with a lot of help and financial support from family and friends. **THANK YOU!**

Conestogas Restaurant has always had the motto "**GIVE THE CUSTOMER WHAT HE OR SHE WANTS**" and our business has grown with the help from **YOU**, our Customers!

We appreciate **YOUR** business, and we know **WHO** pays the bills and signs the paychecks. **YOU, OUR CUSTOMERS! WE THANK YOU!**

So come on in and crack some peanuts and enjoy our friendly family atmosphere and service.

# THE MAIN STREET MONSTER BURGER

Back in 1997, a Wall Street Journal reporter called Rick to talk to him about his Stogie Burger and why we were still serving them medium rare and rare when most everybody else had gone to medium well. (Because we give the customer what he/she wants! We do recommend burgers be cooked medium well, but you can get it raw if you like.) Anyway, Rick asked the reporter if he had seen a BIGGER BURGER, one bigger than the 16-plus ounces of the STOGIE BURGER. Yes, there was a bigger burger at the Pilot Butte Drive-Inn, Bend, Oregon. It is a 36 ounce burger on a big bun. Rick called just to check it out. So Conestogas Restaurant in Downtown Beautiful Alachua will not be outdone and this is how the MSMB, as we refer to it, came into being.

**THREE 16 OUNCE STOGIE PATTIES
